

# Dr. Diana Batoon, D.M.D.

Dr. Batoon was born in Portsmouth, VA and grew up in San Diego. After completing her BA in Microbiology at University of San Diego she received her doctorate at Tufts University School of Dental Medicine in 1996, She completed her General Practice Residency at VA Hospital in Loma Linda, CA.

In 1997 she relocated to Scottsdale AZ where she resides with her husband and 3 boys . Her passion for Dentistry has led her to volunteer for the Arizona Dental Association, Mission of Mercy, Gives Kids a Smile Foundation and was a staff dentist at St Joe's Hospital.

She continues to stay ahead with Continuing Education by being a member of the American Academy of Cosmetic Dentistry, Spear Education Faculty Club and American Academy of Cardiovascular Sleep Medicine and a member of the American Dental Association. She is active in her community by bringing awareness of Sleep Disordered Breathing to preschools, private and charter schools in Arizona.

She has been featured on ABC's Sonoran Living in Arizona, ABC News 10 in San Diego and is frequently asked to speak for industry events and conferences. Dr Batoon will be presenting at the 2016 ADA conference in Denver.

Dr Batoon is very committed to creating an awareness to parents and the public about sleep disordered breathing in the pediatric population. Her vision is to promote a more proactive and less invasive means of growth and development for children.
