

Dr. Manuel "Sylvester" Gonzales is a native Texan from Burnet. He lives and practices dentistry in Round Rock. He graduated from **The University of Texas Health Science Center at Houston Dental Branch**. Then completed an **Advanced Education in General Dentistry** residency at **The University of Texas Health Science Center at San Antonio Dental School**.

Dr. Gonzales has advanced training and experience in various aspects of general dentistry, such as restorative, endodontic, oral surgery, and cosmetic treatment. He is licensed in the following **sedation** methods for patient comfort using **nitrous oxide, oral conscious, and IV sedation**.

Dr. Gonzales believes that continuing his education is a vital key to providing his patients with the best care

possible. He completed an Implant Continuum at **Texas A & M Baylor College of Dentistry**. A mini-residency at **Tufts University School of Dental Medicine** in ***Dental Sleep Medicine***. Currently, Dr. Gonzales is completing a yearlong Orofacial Pain Continuum at **Louisiana State University School of Dentistry** to treat adult patients for Airway, TMD, SDB, headaches, and Neuropathic Orofacial Pain.

Dr. Gonzales is passionate in helping children with SDB and is also a **Healthy Start Provider**, and treats children with orthodontic oral appliance for proper Airway and Craniofacial development. To stay up-to-date with the latest dental information, technologies, and procedures, he is a member in the following organizations:

- American **Dental** Association
- Texas **Dental** Association
- Capital Area **Dental** Society
- Academy of General Dentistry
- American Academy of Implant Dentistry
